

Northumberland Regional High School Educational Society

The Northumberland Regional High School Educational Society is a registered charity whose purpose is to promote and reward excellence in academic achievement, effort and / or citizenship for students of Northumberland Regional High School.

The Society is able to support and reward excellence, during graduation, as a result of monies that have been provided in several ways. Funds are received annually from businesses, organizations, and individuals and from interest earned on the investment of memorial and other gifts. All are distributed based on the contributors' criteria.

The Society, formed in 2004, was the beneficiary of invested monies from the West Pictou Educational Foundation. The Society has also received monies from the Town of Westville which had been donated and invested for Westville High School prizes. Since 2004 the NRHS Educational Society has received several memorial gifts which have been invested, the interest from which is given as graduation prizes.

You can help acknowledge / reward deserving students, by contributing to the NRHS Educational Society through:

- a one-time donation
- an annual donation
- estate planning
- a memorial tribute

**A charitable income tax receipt is issued
for all donations.*

Contact **Treasurer**, Margie Parker, 902 485-6644,
